NOTICE | Department of CSE(AI)

Project Guidelines, Log File and Project Report Format For 2nd & 3rd Year Even Semester 2025-2026

All students are required to strictly follow the **Project Guidelines** and maintain the **Project Log File** as per the prescribed format. Students must also ensure timely submission of the **Project Report** for review and evaluation.

The following documents are **attached** for reference and compliance:

- I. Project Guidelines
- II. Project Log File Format
- III. Project Report Format

Students are advised to go through the documents carefully and adhere to all instructions mentioned therein. Non-compliance may affect project evaluation.

For any clarification, students may contact the respective Quality Control Leads.

Prof. (Dr.) Anand Kumar Gupta

Approved by AICTE, Affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow Uttar Pradesh, (Formerly Uttar Pradesh Technical University)

Project Guidelines for 2nd Year Projects

1. The project can be chosen Desktop-based, Web-based, or Mobile Application-based.
2. Each project **must show uniqueness or innovation**. Guide must ensure the same.
3. A **group of three (3) students** is **eligible/mandatory** for the 2nd year project.
4. Students **must report to their assigned project guide every 15 days** without fail.
5. **Regular progress monitoring** will be carried out by the guide.
6. Failure to report or show satisfactory progress will result in **punitive/disciplinary action**, which may include Academic loss
7. Students **must prepare the project report strictly according to the prescribed format** provided by the department.
8. The **final project submission must be approved and signed by the project guide**.
9. Students Deliverable
 - **Hard copy of the project report**
 - **Soft copy (source code + report)** in the specified format
 - **Presentation (PPT)**
10. **Demonstration and viva-voce** are compulsory for all project groups.
11. Students must ensure that the plagiarism or copied projects will lead to **strict disciplinary action**.
12. **Regular progress monitoring** will be carried out by the guide. And Students must complete the Log Book after 15 days by the Guide as attached

Project Guidelines for 3rd Year Projects

1. The **3rd Year project must be strictly research-based**.
2. Students are required to **identify a research problem**, conduct a **literature survey**, and propose a **novel or improved solution**.
3. Each project **must include the development of an application/model/system that demonstrates and validates the research work**.
4. The research work should be **original and plagiarism-free**. Any form of plagiarism will lead to **strict disciplinary action**.

Research Paper Requirement

1. **Submission of at least one conference paper is mandatory** for each project.
2. The paper must be written under the **guidance of the project guide** and submitted to a **recognized conference**.
3. Proof of **paper acceptance/ published** must be submitted to the department.

Group Formation (3rd Year)

1. A **maximum of two (2) students** is allowed per research project group.
2. In **rare and exceptional cases**, a group of **three (3) students** may be permitted **only with prior approval** from the department/project coordinator.

Guide Interaction & Progress Monitoring

10. Students **must report to their project guide every 15 days** on a mandatory basis and fill the Log book.
11. **Regular progress reviews** will be conducted and documented by the Guide and Student
12. Failure to report or show satisfactory progress will result in **punitive/disciplinary action**, which may include Academic loss:

Project Documentation & Submission

13. Students must prepare the **project report strictly according to the prescribed format** provided by the department.
14. The **final project report must be approved and signed by the project guide** before submission.

Guide Responsibilities

17. The **project guide is responsible for mentoring the research work**, monitoring progress, and ensuring academic quality.
18. The **guide is fully responsible for verifying the correctness of report formatting** as per the prescribed format.

Evaluation

19. **Project demonstration and viva-voce are mandatory**.
20. Evaluation will be based on:
 - Research quality and originality (Innovation & Novelty)
 - Technical Complexity.
 - Functionality & Working Load
 - Conference paper publication or acceptance
 - Project Report and Documentation quality
 - Viva-voce performance
 - Research Paper with SCI/SCOPUS research papers, patents, startup potential or SIH-level participation may receive bonus marks.
21. Students **must prepare the project report strictly according to the prescribed format** provided by the department.

Guide Responsibilities

- The project guide is fully responsible for ensuring that the project report formatting strictly adheres to the prescribed format.
- Guides must verify and approve the report before submission.

IIIrd Year Project Schedule & Milestones (2025–26)

S. No.	Date	Activity / Milestone
1	23 Jan'2026	Completion of Project Allocation and Project Guide Allocation by Department Side
2	27 Jan' 2026	All students and guides to be officially informed about project and guide allocation
3	31 Jan'2026	Project Report Format and Guidelines to be distributed to all students
4	16 Feb'2026	Completion of experimental / research work of the project and Log File will be reviewed by the department.
5	27 Feb ' 2026	First draft of conference research paper to be prepared and submitted to the guide
6	20 March 2026	Final version of conference paper to be completed after guide review
7	25 March 2026	Conference paper to be communicated/submitted to the selected conference
8	3 April 2026	Application work to be completed
9	15 April 2026	First draft of project report to be reviewed and checked by the project guide
10	18 April 2026	Selection of best projects by guides for exhibition / presentation
11	20 April 2026	Submission of source code and soft copy of project report
12	24 April 2026	Final submission of hard copy project report with guide's signature and conference paper

Student Declaration:

I, _____, hereby declare that the above progress details are accurate and updated as per my project work.

Student's Signature: _____

Final Remarks by Project Coordinator/Co-coordinator:

Instructions:

1. Students must fill in the progress report after each meeting with their supervisor.
2. The supervisor must review the progress work and sign during each meeting.
3. The final remarks will be provided by the project coordinator/coordinator at the end of the project.
4. This report card must be submitted along with the final project report.

DECLARATION

<Times New Roman, font size 14>

We hereby declare that the work presented in this report entitled “**MINI PROJECT REPORT TITLE**”, was carried out by us. We have not submitted the matter embodied in this report for the award of any other degree or diploma of any other University or Institute. We have given due credit to the original authors/sources for all the words, ideas, diagrams, graphics, computer programs, experiments, results, that are not my original contribution. We have used quotation marks to identify verbatim sentences and given credit to the original authors/sources.

We affirm that no portion of our work is plagiarized, and the experiments and results reported in the report are not manipulated. In the event of a complaint of plagiarism and the manipulation of the experiments and results, we shall be fully responsible and answerable.
